

How to Get Your D-U-N-S Number

Here's your step-by-step guide to getting your D-U-N-S Number — one of the first keys to building business credit and qualifying for funding. This process is free and only takes about 10 minutes.

Step 1: Go to the D&B Application Page

Visit: <https://www.dnb.com/duns-number/get-a-duns.html>

Step 2: Select “Get a D-U-N-S Number”

Click the 'Get a D-U-N-S Number' button for U.S.-based businesses.

Step 3: Enter Your Business Information

You'll need to enter:

- - Legal Business Name
- Business Phone Number
- Business Address (Virtual is fine)
- Business Owner Name
- Business Structure (LLC, Sole Prop, etc.)

Step 4: Verification Call

You may receive a follow-up call from Dun & Bradstreet to verify your business details. Be prepared to confirm your info.

Step 5: Save Your D-U-N-S Number

Once approved, you'll get your D-U-N-S number by email. Save it and keep it secure — this will be used for business credit, grant applications, contracts, and more.
